Dear Host Family,

I'm very grateful that you accept me as a new family member into your home and I can stay ten months with you. Now I would like to tell you something about me, my family and friends and why I want to spend a year in Sweden.

I go to a school with about 1.000 pupils. The school is near to my home, so I can go there by bike.

The school ends at 13:20 on two days and at 16:00 on the other days. I'm a good pupil and I don't have to learn so much. I get along well with my classmates and with my teachers, and even if it's boring sometimes, I like school. My favorite subjects are German, English and art, but actually I'm interested in nearly everything. After school I like to meet my friends. I think they would describe me as a creative, funny, open minded and responsible person. I just have three or four close friends but I'm friendly to every person I meet. I like to get to know new people and I think I can talk to nearly everyone.

On four days a week I do sports. I play flag football and volleyball and I think sport is one of the most important things for me. I love team sports and would like to try new sports in Sweden. In winter I love skiing and I'm a good skier.

I have a brother and he's 12 years old. He likes playing football. My sister is 17 years old. I get along with her very well and we do a lot of things together. She spent a year in Norway, so she told me a lot about her year abroad.

On weekends me and my family often spend some time together. We visit friends of the family, go to the city or to the cinema. We have a Holiday home in the "Eifel" and once a month we go there. In the Eifel is no internet so we play something like cards or board games. "

Since I´ve been in Sweden for my holidays, I like the country and the landscape and I would like to learn much about the Swedish culture and the history of Sweden. Therefor I want to live in Sweden for a longer time.

I´m also interested to get to know the school system in Sweden. Also I would like to learn a new language.

Best regards  
Maike
