Dear Host Family,

I am kind, good temper and like helping others. I think positive, forgive and easy to forget. I have good sense of humor. But at some moment I'm a little bit anxious on something will happen in the future. I'm happy to go to school to meet my friends, chatting and sharing foods for lunch every day. Sometime I like to hang around with my friends at the Shopping Mall after school.

There are 3 people in my family. My mother, my older sister and me, my father just died one year ago. I always spend time with my family on the weekend. We like to go out for dinner. I enjoy traveling abroad with my family we have been to Singapore & Hong Kong. We like to go to the cinema when they have a good films playing. My family is always being there for me when I need support, discuss and solve the problem together.

At school I join many clubs such as dancing and music instruments. My favorite activity at school is cheerleader club. I have many friends because I'm friendly. Every year at my school have field-trip, I help teacher escort and take care elementary children on Field trip.

When I have time I like to read a book, surf internet, taking a photo, Sometime I go shopping and listen to music. And I always swims every week. I like to read horror book 'The Six Scream' is my favorite book. My types of music are R&B and Acoustic.

The reason why I attend the program because I think studying abroad is the perfect opportunity to fully my dream because I enjoy living in new environment and culture and learn new language. Being a student exchange will give me an opportunity to practice and improve my English skill with the host family and friends at school. I would like to make new friends with long relationship from other countries because there will be many exchange students at the school.

The host family should choose me because I'm friendly and easy going person and I am a good representative of Thai students who concentrate on studying, join many school's activities, and spend time valuably for myself and others.

Kind regards,
Patsorn
